Ablecon AS is responsible for processing personal information that is made in connection with visits to our website or ordering, managing our products and services, and contacting Customer Service.

AbleCon AS collects the following personal information in order to identify and register (1) the customer relationship, (2) customer relationships, (3) user accounts in our systems:

1. First name, last name, mailing address, company, telephone number and email address.
2. First name, last name, phone number, company and email address.
3. First name, last name, phone number, company and email address.

As well to deliver the service according to the agreement, and perform customer service on request.

It is not voluntary to disclose personal information unless otherwise stated in this declaration, or by the user interface of the services.

Personal information is stored on servers owned and operated by One.com, and is located at Interxion in Denmark / EU, unless otherwise stated.

TREATMENT OF PERSONAL INFORMATION

Personal information is collected for Ablecon AS to be able to perform the tasks and services we are required to perform in accordance with law, regulation and / or agreement. Processing of personal data is done within the framework of current legislation and regulations.

Inspection and correction

You have access to the information that is registered at any time. You can view and edit your personal information at www.ablesky.no at any time. Information stored in connection with email correspondence is available at login in our Help Center.

You can also contact Customer Service who answers your inquiry within 2 days within regular office hours.

Storage and deletion

Information that is no longer required for the purpose for which they are stored is deleted.

Ablecon AS stores personal information about customers according to current legislation. When you delete or terminate services, any personal information, primarily your contact information and copy of correspondence, will remain in our registry to the extent necessary to protect legal rights or regulatory requirements for documentation.

CONFIDENTIALITY AND SAFETY

We use a combination of physical, electronic and procedural security to protect personal information.

Information on your account is password protected.

All data transfer that occurs over the Internet is encrypted. All transactions are processed over an SSL / TLS industry-standard connection, with minimum 256-bit encryption. However, there is no guarantee that somebody can not access such information or that they are not disclosed, altered or corrupted by a firewall or secure server software violation.

Since no data transfers over the Internet are 100% secure, we can not guarantee or imply the security of any kind of information you send to us.

If Ablecon AS becomes aware of a violation of one of the security systems, we will notify you in writing by e-mail or SMS so that you can take the necessary protective measures. By using our services or providing us with personal information, you agree that Ablecon AS will contact you electronically regarding security and privacy issues and administrative issues related to your use of the service.

You are responsible for implementing appropriate security measures when using our services. It includes but is not limited to the use of secure passwords, password encryption, secure retention of encryption keys, installation of security updates for 3rd party software and components, etc.

Ablecon AS is not responsible for any information you choose to store using our services and we can not guarantee any consequences as a result of security breaches.

SENSITIVE PERSONAL INFORMATION

None of Ablecon AS's services require sensitive and confidential personal information. The registration of such personal data in Ablecon AS's interfaces is not permitted and shall not be disclosed to Ablecon AS under any circumstances.

CHANGE IN PERSONAL DECLARATION

The Customer agrees that Ablecon AS reserves the right to make changes to the Privacy Statement on an ongoing basis.

Ablecon AS is obliged to notify the Customer of significant changes. Substantial changes include any conditions that restrict the Customer's rights, or change the parties' obligations or rights in general. Notification of significant changes must be sent by email to the email address specified as the contact address for the customer relationship.
